

19th September 2016

Dear Parents

Third Year Field Day

On Friday 23rd September, your son will take part in a programme run by the 'Great Men Project'. A series of workshops will focus on challenging gender stereotypes and promoting healthy interpersonal relationships. The sessions are designed to explore perceptions which may be shaping young people and society today and will enable the boys to do some fruitful critical thinking about their individual and peer group interactions.

During the afternoon, your son will take part in team building challenges which will earn them points towards the Third Year Inter-Form competition.

Pupils should register in their usual form rooms at 9.10am. They may wear smart, casual clothes but these must be suitable for a day of activities. They must also bring PE kit (including indoor and outdoor trainers) for the challenge activities. The boys' restaurant will be closed on the day and they should bring a packed lunch and snacks. The day will finish by 3.30pm and I hope it will prove an inspiring and enjoyable one for your son.

Yours sincerely

Miss H C Whiteford
Head of Third Year
