11+ Entrance Exam

Sample Creative Writing Questions

Candidates will be given a choice of two questions.

We advise candidates to plan their work, and check towards the end of the allotted time.

Spelling, punctuation and grammar are taken into account when marking a candidate's work.

Writing

(You should spend about 30 minutes on this section)

1. Write about a time when you ignored advice from an older person. (This can be fictional or based on a true experience.)
2. Write a story in which the main character felt ignored when someone else was given attention.
(This can be fictional or based on a true experience.)
3. Write about a time or situation when you unfortunately revealed too much about what you were thinking or feeling.
4. Write about an incident in which the main character has to stand up to someone of whom he/she is afraid.
